- Please be sure to notify the Charity if you change your name or address while this Declaration is in force.
- You can cancel this Declaration at any time by notifying the Charity in writing: your Declaration will then not apply to donations you make on or after the date of your cancellation or such later date as you specify.
- The amount of tax you pay in a year must be at least equal to the tax we reclaim on your donation (currently a fraction over 28p on every £1 you give: so, for example, on £10 we can reclaim £2.82, though this will be reduced in three years time).
- If your circumstances change and you pay less tax in a year than the amount the Charity reclaims, you should cancel your Declaration.
- If you pay tax at the higher rate, you can claim the additional tax relief in your annual tax return.
